## WHAT TO SAY

---

### When you talk with your patient who is a Medicaid recipient:

1: Ask if they updated their contact information.

- Medicaid recipients have several ways to update their addresses, phone numbers, and other information. Visit [www.Medicaid.Alabama.gov](http://www.Medicaid.Alabama.gov) and click on the gray mailbox to find out more information.

2: Ask if they got a letter about their coverage from Medicaid.

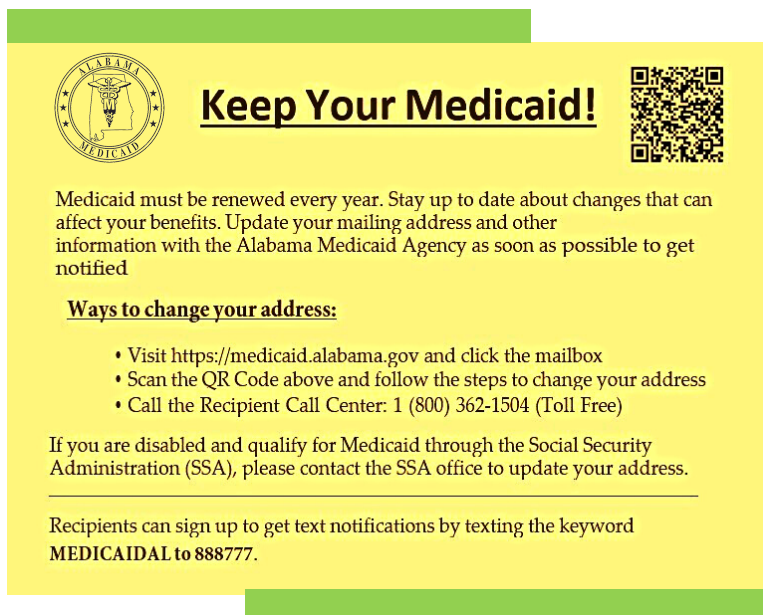

- **Starting April 1, 2023:** Medicaid will mail renewal letters to let recipients know when to renew their coverage. Note: Most letters should arrive at their normal renewal time. They must complete and return their renewal form to Medicaid. Medicaid coverage will stop if they are not eligible or don't respond. There may be other programs within Medicaid for which they are qualified. Encourage them to apply online at [www.Medicaid.Alabama.gov](http://www.Medicaid.Alabama.gov). Medicaid will mail a letter if their benefits change.

3: Tell them about other health coverage options if they no longer qualify for Medicaid.

- People who lose Medicaid may be able to get coverage through the Federal Marketplace ([www.HealthCare.gov](http://www.HealthCare.gov)). If someone loses Medicaid coverage, they have a limited time to apply and enroll in a plan. Other resources include Federally Qualified Health Centers (FQHCs) and other free or reduced-cost clinics. ## **End to Continuous Enrollment and PHE Announced**

Continuous enrollment for Alabama Medicaid recipients will end April 1, 2023!

Medicaid is preparing now for the end of continuous enrollment conditions originally associated with the COVID-19 public health emergency (PHE). Provisions in the Consolidated Appropriations Act (CAA), 2023 included significant changes to the continuous enrollment condition outlined in the Families First Coronavirus Response Act (FFCRA) that take effect April 1, 2023.

Under the CAA, 2023, expiration of the continuous enrollment condition and receipt of the temporary FMAP increase will no longer be linked to the end of the PHE.

### **Timeline:**

March 31, 2023	The continuous enrollment condition will end
April 1, 2023	States may terminate Medicaid enrollment for individuals no longer eligible.
May 11, 2023	COVID-19 PHE end date announced by the Biden administration
